Longfellow Circle met promptly at
6:30 o'clock Tuesday evening. Under
the gentle leadership of Mrs. Marvin
Spence, the program was quite interest-
ing and instructive. The review of
"Social Progress in Europe" by Miss
Fuller, selections from "The Red Re-
public" by Mrs. W. R. King, and a
paper "Social Agitation in England,"
by Miss Tommie Cooper are especially
worthy of mention. We are greatly
handicapped in our work by a lack of
library facilities or reference works of
some kind, and to supply this deficiency,
the Circle has decided to give an enter-
tainment on Longfellow Day—some-
thing in the nature of a literary and
musical program; and trust that we may
have the patronage not only of the "Lit-
erati" but of everyone who believes in
the truth of our motto, "The aim of ed-
ucation is character."

The program for next week is as fol-
lows:—

Review of Reading Journey article.
Roll-call: Legends relating to differ-
ent German cities, as embodied in Ger-
man poetry.

Reading: The story of "The Victrola
Brothers," or Lowell's poem, "An In-
cident of the Fire at Hamburg."

Review: Article on "Hamburg's New
Sanitary Impulse."

Brief Papers: Klopstock and his influ-
ence upon Germany; Lessing and his
life at Hamburg.

Reading: The story of Minna Von
Barnhelm, with selections from the play

College Notes

SCOLA NOSTRA.

Prof. Ranck made a talk to the school
last Monday morning in which he ex-
pressed himself as being well pleased
with the school work as a whole.

The Francis Willard and David
Crocket literary societies, held a joint
meeting last Friday afternoon about
2:30 o'clock with Miss Francis Gilmore
as director. The school being invited,
the meeting was held in the Chapel.

The program was well prepared by
both societies and consisted of the fol-
lowing—Chorus by the societies.
Prayer by Prof. Ranck. Declaration
Fernando Griffin. Song by the Francis
Willard Literary society Recitation by
Miss Mary Sowell. Debate—Resolve
that the study of history gives a broader
intellectual training than does the study
of mathematics.

(Ad) Misses Bessie Cloud and Edith
Ranck.

(Nog) Messrs. Lewis Lawrence and
Walter Ranck.

Piano Solo.—Miss Ethel West.

The Judges were, Miss Clara Garner,
and Messrs John North and Goodloe
Sowell, and the debate was decided by
them in favor of the Negative by a vote
of 2 to 1.

After the decision made known and
the exercises were over, the two young
lady contestants walked bravely across
the stage and shook hands with their
opponents as heartily as though they
had been their colleagues.

It is hoped that the two societies will
arrange for another joint meeting and
debate soon and we will be glad to
see the young ladies triumphantly win
and give the young men a chance to ex-
press their joy in the same "good old
friendly way."

After this meeting was over the David
Crocket Literary society held a business
meeting and elected the following
officers for the next quarter.

President, Mr. Lewis Lawrence.

Vice President, Mr. Joe Neal.

Secretary, Mr. Ingram Sowell.

Treasurer, Mr. Fernando Griffin.

Marshall, Mr. Jenks Moore.

ic.
